[Hospital] is helping underserved patient populations get quality healthcare

[City, State] - [Hospital Name] has launched a health equity initiative that empowers members of the community to become advocates for their own by health by helping them gain a better understanding of their health risks based on their gender, race and lifestyle.

[OPTIONAL OPENING PHRASE] Due to the results of a recent study sponsored by Boston Scientific, we know that there is a need for addressing the levels of care that is currently available to members within our community. As a result, we have compiled information, education and various other condition-specific resources, designed a program specific to addressing [INSERT DISEASE STATE in INSERT DEMOGRAPHIC].

“Studies have shown that [INSERT DISEASE STATE] impacts [INSERT DEMOGRAPHIC] at a disproportionate rate,” said [INSERT DOCTOR NAME/TITLE]. “This is a serious matter that we know needs to be addressed within our community and that is why [INSTITUTION NAME] is leading the way to make this a priority in driving awareness and then doing something about it.”

[VARIABLE COPY BLOCK] INSERT PROGRAM NAME was designed to address [DEMOGRAPHIC] with [disease state], who might not know how to address their symptoms, find treatment for their condition, or in some cases, even have awareness that something is wrong with their health.

[VARIABLE COPY BLOCK] [INSERT RELEVANT STATISTIC FROM TALKING POINTS]

[VARIABLE COPY BLOCK] There will be a screening event on [date] at [location] from [time]. This event provides an opportunity for prospective patients to learn more about their conditions, discuss their symptoms and concerns with local physicians, and discover treatment options in their community.
